Thrills & spills

The maze of adventure begins with 335 meters of the Lazy River which surrounds a Wave Pool, Aqua Play Pool, the two premium rides; Boomerango and Super Bowl amongst many others.

Alternatively find time to unwind in the Igloo Sauna or Hot Spring Pool, whilst the little ones explore a Kids Aquarium, Kids Slide Pool and multiple water slides of varying heights and speeds.

Lazy River

The Boomerango

Located at the Slide Tower. Starting with a thrilling drop through our Aqua tube, the riders are launched into a high back and forth ride ending into the splash pool.

The Super Bowl

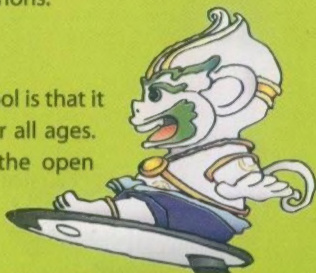

Located at the Slide Tower. Starting with a thrilling drop through our Aqua tube, the riders are then launched into the Super Bowl with centrifugal forces keeping them high on the wall for several turns ending in an exciting transition into a splashdown pool.

The Aqua Play Pool

This is the place where the whole family can have fun together, enjoy multiple interactive water features which are sure to get everyone wet from waterslides of varying heights and speeds to a giant tipping bucket, and if you still feel you are not wet enough then try out the water cannons.

The Wave Pool
